DÉJÀ VW.

You may need to take a second look. A Beetle? But a Beetle that has grown up and become sportier for the 21st century. From every angle, its masculine proportions make it appear more dynamic than ever before. But when it comes to making an impression, it's up to you to choose from a wide range of wheels, paint finishes and other options.

SUN WORSHIPPER.

It's human nature to appreciate the sunshine. Why? Because sunlight makes us feel relaxed, happier and carefree. So it's good to know you can make the most of it in just 9.5 seconds in the Beetle Cabriolet. Because that's all the time it takes to open the soft-top roof. And whichever model you choose, Beetle Cabriolet, Design or Sport, you have plenty of options to personalise your Beetle Cabriolet to your exact taste. A range of alloy wheels, Bi-xenon headlights, leather upholstery and touch-screen navigation systems are just some of the choices available to you. Depending on your vehicle's colour, the soft-top is also available in refined Black or elegant Nutria Beige.

Model shown is Beetle Cabriolet Sport with optional 19" 'Tornado' alloy wheels, 'Fender' premium soundpack and body-coloured upper dashboard and door panels.

DETAILS.

No other car has fascinated people as much as **the Beetle**, and now the icon is back, just maybe not as expected – powerful, dynamic and with corners and edges. After all, even icons have to evolve to remain true to themselves.

Model shown is Beetle Sport with optional 18" 'Discus' alloy wheels and pearl effect paint.

Darkened rear side and rear windows reduce the amount of sunlight entering the cabin by up to 65% from the B pillar back, contributing to a pleasant interior temperature. Enhancing privacy, protecting rear passengers and luggage from unwelcome glare and enhancing sports appeal, tinted glass is a practical and stylish addition to the exterior. Optional on Beetle and Beetle Design and standard on Beetle Sport, Beetle Turbo Black, Beetle Turbo Silver and Beetle GSR models.

Gas discharge (Bi-xenon dipped and main beam headlights) including range adjustment and LED daytime running lights ensure your vehicle is visible to other road users in any weather. Standard on Beetle GSR and optional on all other models.

Distinctive 19 inch **'Tornado'** alloy wheels with 235/40 R19 tyres and anti-theft wheel bolts complete the exterior styling of Beetle Turbo Black, Turbo Silver and Beetle GSR models. Also optional on Sport models. Image shown is Beetle Turbo Black.

The **rear tailgate spoiler** is both sporty and elegant, optimising the aerodynamics of the rear design. Standard on Beetle Design and Beetle Sport 1.4 TSI 160 PS engines, Beetle Turbo Black, Beetle Turbo Silver and Beetle GSR. Optional on Beetle Design and Beetle Sport 2.0 TDI 140 PS engines.

The **tonneau cover** is tough-wearing and durable, helping to keep your hood safe and protected while you enjoy the open-top driving experience. Image shown is Beetle Cabriolet Sport with optional body-coloured upper dash and door panels.

There is no compromise in safety with the Beetle Cabriolet's **comprehensive airbag system**. Included as standard are driver's and front passenger's airbags, with a front passenger's airbag deactivation switch and driver's and front passenger's combined head and side airbag system.

16 inch **steel wheels** with 215/60 R16 tyres and full size wheel trims give the exterior of your Beetle Cabriolet a stylish look.

Design models feature retro 17 inch **'Orbit'** alloy wheels with 215/55 R17 tyres, chrome effect rims and anti-theft wheel bolts.

Distinctive 18 inch **'Twister'** alloy wheels with 235/45 R18 tyres and anti-theft wheel bolts complete the exterior styling of the Sport. Also optional on Design models.

BEETLE AND BEETLE CABRIOLET.

The entry level Beetle and Beetle Cabriolet models are exceptionally well equipped with a wide range of features, including manual air conditioning, electric front windows, height-adjustable front seats and electrically heated and adjustable door mirrors, together with electric power hood and tonneau cover on the Cabriolet. There is also a multifunction computer with visual gear change recommendation for improved fuel consumption and an RCD 310 DAB digital radio/MP3 compatible CD player with eight speakers for crystal clear radio reception. The three-spoke steering wheel attracts attention just as much as the 'Gloss Black' trim on the dash panels. Practical convenience is provided by storage compartments in the doors, front centre armrest and symmetrically-folding rear seat backrests which allow larger items to be transported. Electronic Stability Control (ESC) is fitted as standard alongside features such as ABS (Anti-lock Braking System), rollover protection system (Cabriolet models), Isofix child seat preparation (for 2 rear child seats), tyre pressure loss indicator, and a comprehensive suite of airbags for added safety and peace of mind. Opting for a BlueMotion Technology model helps improve fuel consumption and reduce CO₂ emissions. This is achieved through efficiency measures such as battery regeneration (recuperation – energy recovery during braking) and a Start/Stop function, which can momentarily switch off the engine in certain circumstances, for example in stationary traffic, to save fuel.

Interior shown is Beetle Cabriolet with optional leather trimmed multifunction steering wheel.

Interior shown is Beetle Design with optional 'Fender' premium soundpack and Saturn Yellow paint.

DESIGN.

Choose a Design and you're sure to make an impact with passers-by and passengers alike. The stunning exterior design is matched inside with trim in the door panels, upper dashboard and steering wheel inserts that match the exterior colour of the car. Outside 17 inch 'Orbit' alloy wheels create a stylish look, while body-coloured door sill protection with chrome inserts and front fog lights including static cornering function, add that extra touch of luxury. Inside the individual atmosphere created is rounded off by chrome detailing in the cockpit and on the doors. The 'Beetle' storage compartment in the dashboard directly above the glovebox is both a practical and stylish homage to the vehicle's glorious past. The RCD 510 touch-screen DAB radio/dash-mounted MP3 compatible six CD autochanger not only provides excellent acoustics, but along with the leather trimmed multifunction steering wheel and multifunction computer, provides controls for the Bluetooth telephone connection*. An MDI (Multi Device Interface), providing USB and iPod connectivity, will allow you to connect and charge a compatible iPod or MP3 player. You can also stream music to the vehicle's audio system via Bluetooth connection, should you wish, from a compatible device.

* Phones must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility. Not all telephone functionality can be controlled via the multifunction steering wheel.

SPORT.

With both style and presence and a look that's sure to turn heads, the Sport is a real winner. The exterior is designed to be noticed with its 18 inch 'Twister' alloy wheels and 'Gloss Black' door sills with chrome inserts. 'Gloss Black' door mirrors with integrated indicators enhance the exterior styling still further, with an extra sporty touch provided on 2.0 litre TSI 210 PS models with red brake calipers. With a range of extras in the interior, the Sport won't fail to impress. The multifunction steering wheel with 'Gloss Black' inserts, gear lever knob and handbrake grip are covered in fine leather and match perfectly with the 'Gloss Black' dash and door panels. Alternatively, you can really spice things up by opting for the upper dashboard and door panels to match the exterior paint colour of your Beetle and Beetle Cabriolet, while climate control – 2Zone electronic air conditioning and front sports seats with height and lumbar adjustment will ensure that you still feel relaxed at the end of your journey. Other excellent features include cruise control, sports instrument dials and front and rear parking sensors.

Interior shown is Beetle Cabriolet Sport with optional 'Fender' premium soundpack.

BEETLE TURBO BLACK AND TURBO SILVER.

You can tell just from the names Turbo Black and Turbo Silver that driving pleasure is hidden under the beautiful skin of these two stunning models. Both are adorned with striking 19 inch ‘Tornado’ alloy wheels and sporty red brake calipers, while a body-coloured rear diffuser and chrome exhaust tailpipes left and right give the Turbo models an impressive look. The body-coloured door sill protection with chrome insert is complemented by instantly recognisable ‘Turbo’ lettering in black (Turbo Black models) or silver (Turbo Silver models). Depending on which model you opt for, ‘Gloss Black’ or silver-coloured door mirrors finish off the impressive exterior, but if you look closer there’s more. Its powerful 2.0 litre TSI 210 PS engine, coupled with either a six speed manual or six speed automatic DSG gearbox, ensures that it disappears from view just as quickly as it arrives.

Model shown is Beetle Turbo Black with optional Pure White paint.

Interior shown is **Beetle Turbo Silver 2.0 TSI DSG** with optional ‘Fender’ premium soundpack, Light and sight pack, ‘Vienna’ leather upholstery and metallic paint.

Distinctive 19 inch **‘Tornado’** alloy wheels with 235/40 R19 tyres and anti-theft wheel bolts with red brake calipers complete the exterior styling of the Beetle Turbo Black and Turbo Silver models.

Model shown is Beetle GSR.

BEETLE GSR.

The stunning Beetle GSR takes its inspiration from the original ‘Gelb Schwarzer Renner’ or Yellow Black Racer, first launched in 1973. Now 40 years on, Volkswagen have reinterpreted this iconic model with a dynamic, sporty limited edition, offered in the original yellow and black, and also optional grey and black paint finishes. Unique ‘GSR’ decals and ‘Turbo’ badging announce that this is something special, and ‘R-Line’ styling includes specially designed bumpers, rear diffuser and tailgate spoiler, enhanced by 19 inch ‘Tornado’ alloy wheels and Bi-xenon headlights including LED daytime running lights. Inside, heated front seats, carpet mats and the leather trimmed multifunction steering wheel are finished in contrasting yellow stitching, with ‘GSR’ glovebox and door sill protectors continuing the theme, while the steering wheel features an ‘R-Line’ logo and numbered limited edition plate. Other luxuries include heated windscreen washer jets, rain and dusk sensors, and an automatic coming/leaving home lighting function.

EQUIPMENT.

Bi-xenon headlights including range adjustment and LED daytime running lights make it unmistakably Volkswagen. Standard on Beetle GSR and optional on all other models.

The **three dial 'Sport' instrument panel** on the dashboard is a particularly distinctive feature showing information about oil temperature and turbocharger boost, as well as the multifunction stopwatch that can measure the journey time and time stopped. Standard on Sport, Beetle Turbo Black and Silver, Beetle GSR, and optional on all Design models.

The **Winter pack** includes heated front seats with three preset temperature settings and heated windscreen washer jets, ensuring you are fully prepared to face any cold spell. Standard on Beetle GSR, and optional on all other models.

Cruise control can be set at speeds of over 19mph to maintain a constant speed. Once set to your desired speed, all your concentration can be focused on the road ahead creating a more relaxed drive. Optional on Beetle, Beetle Cabriolet and Design, and standard on all other models.

The **Keyless entry system** enables you to enter and exit your vehicle without taking the key out of your pocket. Once inside, as long as you have the key on you, the engine can be started without inserting the key in the ignition by simply pressing a button in the centre console. Optional on all models except Beetle and Beetle Cabriolet.

We've included numerous features for your convenience, such as the two cup holders incorporated into the centre console and allowed plenty of storage space too. The handy glovebox, unique 'Beetle' storage compartment in the dashboard and the **front centre armrest** with storage compartment provide a space for all your travel essentials. Standard on all models.

The **RCD 510 touch-screen DAB radio/dash-mounted MP3 compatible six CD autochanger** not only provides excellent acoustics, but along with the multifunction steering wheel and multifunction computer, provides controls for the Bluetooth telephone connection* for HFP (Hands Free Profile) enabled telephones. An MDI (Multi Device Interface), providing USB and iPod connectivity, will allow you to connect and charge a compatible iPod or MP3 player. Optional on Beetle and Beetle Cabriolet and standard on all other models.

* Phones must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

The **RNS 315 touch-screen navigation/DAB radio system with MP3 compatible CD player** features a 5 inch colour display with clearly arranged map navigation, as well as an SD card reader and practical AUX-in socket for connecting external audio devices such as an iPod or MP3 player. A DAB digital radio receiver allows access to both local and national DAB stations. Optional on all models.

Climate control – 2Zone electronic climate control with automatic air recirculation features separate controls for both the driver and front passenger, enabling both to adjust the temperature setting according to their individual preference, while maintaining your chosen temperature throughout your journey. An air quality sensor continually monitors the outside air, automatically activating the interior air recirculation if necessary. Standard on Sport, Beetle Turbo Black and Silver, Beetle GSR, and optional on Design models.

Ambient illumination with switchable colours form part of the optional **'Fender' premium soundpack** and creates a unique atmosphere thanks to the lighting strip under the door trim and the LEDs on the loudspeaker ring of the 'Fender' sound system. Optional on all models except Beetle and Beetle Cabriolet.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the up! and ultra-efficient BlueMotion Polo, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, take a look at the selection below to see what else we have. There are 21 models in our range, so there's bound to be at least one that catches your eye.

Efficient

Our **BlueMotion** models benefit from innovative energy-saving technology that helps you optimise fuel consumption and reduce harmful emissions. This includes low rolling resistance tyres and improved aerodynamics, accompanied with advanced engines and gearboxes. Choose from the BlueMotion Polo, Golf or Passat.

However, BlueMotion Technology can be found across our range where automatic Start/Stop technology and brake energy recuperation is standard on the majority of our engines, helping you to save more money by being more efficient.

Spacious family cars

Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf Plus, Golf Estate, Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet, Golf Cabriolet or Eos.

City run around

up!: The ideal city car. Efficient, fun and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf – winner of 'World Car of the Year 2013'.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the top of the range Phaeton, and executive comfort in the Passat Saloon and Jetta.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, '4MOTION', as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: Tiguan and Passat Alltrack.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Scirocco: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD, GTI and R. Or for something more refined and elegant, there's the Eos too.

Technical specification notes

- 1 The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 2 Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 3 The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 4 The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 5 Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen web site at www.volkswagen.co.uk and at www.vca.gov.org.
- 6 The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂.

TECHNOLOGY

Engines

1.2 litre/105 PS ⁽⁰¹⁾ (77 kW) petrol engine:
EU5 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual or a seven speed automatic DSG transmission

1.4 litre/160 PS ⁽⁰¹⁾ (118 kW) petrol engine:
EU5 emissions standard, four cylinder in-line direct injection twin-charged engine with four valves per cylinder, a supercharger and a turbocharger. Available with a six speed manual transmission

2.0 litre/210 PS ⁽⁰¹⁾ (154 kW) petrol engine:
EU5 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission

1.6 litre/105 PS ⁽⁰¹⁾ (77 kW) common rail diesel engine:
EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a five speed manual or a seven speed automatic DSG transmission

2.0 litre/140 PS ⁽⁰¹⁾ (103 kW) common rail diesel engine:
EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a six speed manual or a six speed automatic DSG transmission

Transmission

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles
- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six speed auto DSG gearbox
- Five speed manual: 1.6 litre TDI 105 PS
- Six speed manual: 1.2 litre TSI 105 PS, 1.4 litre TSI 160 PS, 2.0 litre TSI 210 PS, 2.0 litre TDI 140 PS
- Six speed auto DSG: 2.0 litre TSI 210 PS, 2.0 litre TDI 140 PS
- Seven speed auto DSG: 1.2 litre TSI 105 PS, 1.6 litre TDI 105 PS

Running gear

- Electronic Stability Control (ESC) including Electronic Differential Lock (EDL), Traction Control (ASR)
- XDS electronic differential lock (1.4 litre TSI 160 PS and 2.0 litre TSI 210 PS only)
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension (2.0 litre TSI 210 PS only)
- Front and rear anti-roll bar

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- ABS (Electronically controlled Anti-lock Braking System) with EBD (Electronic Brake-pressure Distribution)
- Asbestos-free brake pads
- Diagonal twin-circuit brake system with inner-ventilated front disc brakes and rear disc brakes
- Battery regeneration (recuperation – energy recovery during braking)

VOLKSWAGEN SERVICE

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty*. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Three-year Paint Warranty

The paintwork of the Beetle is covered against manufacturing defects for a period of three years. Naturally, the Beetle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

12-year Body Protection Warranty

The internal body sections and panels of the Beetle are covered against rusting through from the inside for 12 years. Naturally, the Beetle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Beetle, then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Service Intervals

Volkswagen are pleased to offer you a choice on how your Beetle is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service
Every 10,000 miles/1 year (whichever is soonest).
- Interval service
Every 20,000 miles/2 years (whichever is soonest).
- Inspection service
Every 40,000 miles/3 years (whichever is soonest).

The Flexible Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

With the Flexible Service the vehicle can cover anywhere between 10,000[†] and a maximum of 18,000[†] miles or 24 months (whichever is soonest) between oil changes. Inspection service is typically in the third year of ownership and thereafter every second year, for vehicles with an approximate annual mileage of 10,000 miles.

[†] Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Volkswagen Insurance[‡]

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

‡ Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Volkswagen Insurance

Get three years' Volkswagen Insurance cover for free. Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard. Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen Insurance approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager available 24-hours a day to manage your claim, liaising with your insurer and the repairer, so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-insurance.co.uk

Volkswagen Finance[‡]

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs.

No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

[‡] Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited.

An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year. This provides vehicle home and roadside recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer or repairer.

CO₂ Emissions

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

Please Note

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

Model shown is Beetle Cabriolet Sport with optional 19" 'Tornado' alloy wheels, Bi-xenon headlights and body-coloured dash and door panels.
