

New Golf

Volkswagen

Discover the most technologically advanced Golf yet.

Volkswagen not only sets the bar for premium hatchbacks but raises it with each generation of Golf. With advanced technology and compelling innovations, the new Golf range is in a league of its own, solidifying its legendary status even more.

NEW GOLF

The iconic all-rounder.

Golf is one legend that always delivers. And with a formidable reputation that precedes itself in a big way, the new Golf is versatile and destined to remain an icon for years to come.

A drive to remember.

Golf epitomises automotive excellence with a new TSI engine range, enhanced safety features and improved driver assistance systems. Powered by the next-generation TSI engines, a substantial increase in torque and improved fuel consumption, the Golf truly shines on the road.

With driving innovations like Active Info Display, Blind Spot Detection, Rear Traffic Alert, Trailer Assist and Adaptive Cruise Control with Front Assist and Autonomous Emergency Braking, Golf is reborn and will make you fall in love with driving again.

Moving with the times.

In a world where technology is evolving every day, the future-ready features available in Golf allude to the start of a new era for Volkswagen. Whether you want to make phone calls, listen to your favourite tracks, navigate to your destination or plug in your smartphone to App-Connect, Golf has made high-tech easier. The optional 9.2" touchscreen features Gesture Control that senses your hand movements and reacts even before you touch. Now you can swipe through menu options, tracks and browse radio stations with a swish of your finger. It's clear that the new Golf is more than just a car - it's the future of driving.

The legend is looking better than ever.

Golf features new LED-technology, creating a modern appearance that will make you look good while turning corners... and heads.

Keeping the Golf firmly on the road are alloy wheels that come standard across the range: the Trendline features 15" Lyon alloys, while the Comfortline receives new 16" Hita alloys.

Go for R-Line.

An optional R-Line Exterior Package is also available, including an R-Line front bumper with C-signature air curtains and rear bumper with integrated diffuser. Sill extensions in gloss black, pronounced roof spoiler and exclusive 17" Madrid alloys complete the authoritative look of the R-Line Package.

GOLF GTI

For the love of the GTI-Forces.

The road is calling and the new Golf GTI is the perfect answer. What better way to have fun?

The adrenaline junkie.

Experience ultimate performance that will leave nothing but your breath behind. Featuring an upgraded 169kW TSI GTI 6-speed DSG® engine accelerating from 0 to 100km/h in 6.4 seconds, the Golf GTI is a force to be reckoned with, defining a whole new era of high performance cars.

GT-eye candy.

The Golf GTI is aerodynamically fine-tuned with C-signature air curtains while retaining the familiar red chrome strip that extends into the new standard LED headlights featuring high-beam light assist. The aggressive styling is emphasised by the red GTI accents and honeycomb grille design.

At the back, the rear bumper sports a new integrated diffuser with GTI-styled twin pipe exhaust that exudes power. Dark red LED taillights with flowing indicator lights and all-new striking 18" Milton Keynes alloys complete the turbocharged look.

GOLF GTD COMING SOON

The best diesel drive yet.

Experience a shot of pure adrenaline, performance and styling in a diesel engine. The new Golf GTD ticks all the right boxes when it comes to sportiness, superior performance and improved efficiency. Strap yourself in and feel the exhilarating power of the 130kW TDI GTD 6-speed DSG® engine, delivering 350Nm of maximum torque and optimised fuel consumption - getting you further on one tank without compromising on power.

THE LEGEND COMING SOON

It's R-Rated

The new Golf R is the perfect formula for explosive power and performance, adding up to a spine-tingling explosion of driving pleasure. Thanks to the turbo-charged TSI 7-speed DSG® engine with 4MOTION® all-wheel drive, the Golf R is ready to unleash 213kW of explosive power. With standard LED headlights, four-pipe exhaust system, Active Info Display and panoramic tilt/slide sunroof, the Golf R is unapologetically fierce, demanding respect wherever it goes.
