# INTRODUCTION

## DESIGNED TO IMPRESS.

In your first drive in the Volkswagen Vento, you'll sense the state-of-the-art engineering. But just when you'll think that this is as good as it gets, it will surprise you with something distinctly new. Its luxuries, like full LED Headlamps with Daytime Running Lights (DRL), Electrically Adjustable Side Mirrors, Auto-dimming Interior Rear-view Mirror, Automatic Rain-sensing Wipers and more, make the Volkswagen Vento a perfect fit for the new you.

# STYLING

## MAKING A STATEMENT HAS NEVER BEEN EASIER.

Get used to being the centre of attention with the bold bumper surrounding the Chrome-finished Grille<sup>1</sup>, the sleek Air Intake, Fog Lamps and Static Cornering Lights<sup>3</sup>. What's more, experience the Electrically Foldable Side Mirrors<sup>4</sup> with integrated Turn Indicators that can be adjusted automatically

from your seat, at the touch of a button.

The full LED Headlamps with Daytime Running Lights<sup>2</sup>, guarantee second glances. While the beautifully crafted DRL, placed elegantly around the headlamps, will surely make heads turn.

The rear stands out with a stylish Bumper and sleek LED Tail Lamps<sup>1</sup>. The smooth Door Handle<sup>2</sup>, the Exhaust<sup>3</sup> and the strip above are all covered in gleaming chrome, so the spotlight never leaves you.

What's more, the slick Rear Reflectors and the bold Alloy Wheels<sup>4</sup> will make sure that your ride stays extraordinary.

# DASHBOARD

## MORE THAN JUST GOOD LOOKS.

One look at the dashboard and you'll see the beauty of German engineering. Spoil yourself with the state-of-the-art Touchscreen Infotainment System and Multi-function Console. Sit back and relax, while Cruise Control maintains a steady speed during those leisurely long drives. Take control with the Multi-function, Leather-wrapped, Flat-bottom Steering Wheel and manage radio, music and your phone with your fingertips. And to make parking hassle-free, the Volkswagen Vento is now equipped with a Reverse Parking Camera. It's features like these that make the Volkswagen Vento a car as ready for a new beginning as you.

Features and accessories shown may not be part of standard equipment.

# INTERIORS

## STEP INTO A NEW WORLD.

Let all your worries take a backseat as the new you takes control of the car.

The Flat-bottom, Multi-function Steering Wheel<sup>1</sup> comes with \*Voice Command Controls, and the Climatronic Air-conditioning lets you rule over the internal environment. The Cooled Glovebox<sup>6</sup> keeps your drinks cold during those long journeys, while Cruise Control<sup>5</sup> maintains a steady speed. To ensure a safer drive, the Volkswagen Vento is also equipped with an Auto-dimming Interior Rear-view Mirror<sup>2</sup> to automatically reduce the glare from trailing vehicles.

Drive within the comfort of plush upholstered seats and a Height-adjustment Lever on

the driver's side. For the passengers at the back, comfort isn't too far.

A Foldable Armrest, Rear Air-conditioning Vent<sup>4</sup> and a convenient cup holder make the journey relaxing for everyone. The Volkswagen Vento is equipped with an intelligent Rain Sensor<sup>7</sup> to automatically signal the wipers at the slightest hint of rain. Perfect for those moments when you're faced with a sudden downpour.

And on congested streets or multi-level parking spaces, the Reverse Parking Camera<sup>3</sup> will help you park the car with ease.

Features and accessories shown may not be part of standard equipment.  
\*Depends on mobile handset and application compatibility.

# SPACE

## MORE ROOM PER TRIP.

Pack more than you need because you never know where your next journey will take you. Comfortably load your luggage into the voluminous spaced 494-litre Trunk<sup>1</sup> using the illuminated Low-loading Height Boot.

The interiors are fitted with a concealed Mobile Phone Holder<sup>2</sup> under the Front Armrest<sup>2</sup>, a Bottle Holder<sup>3</sup> on every door and a Cup Holder<sup>4</sup> next to the driver; giving you easy access to whatever you need.

# ENGINE AND TRANSMISSION

## POWER TO GO FURTHER.

At the centre of the machine lies the revolutionary 1.2L TSI Engine. Giving you 105 PS of raw power and 175 Nm of torque. But what really outclasses the masses is the first-in-class 7-speed Automatic Dual-shift Gearbox<sup>1</sup>, which ensures a smoother drive as the engine effortlessly switches gears.

And if diesel is your preferred choice of power, we also have the mighty 1.5L TDI Engine with the same 7-speed Automatic DSG Transmission. More importantly, with a fuel consumption of 18.19 kilometres/litre (TSI) and 22.15 kilometres/litre\* (TDI), it gives you maximum power with minimum consumption.

It's also available in a 1.6L petrol MPI Engine.

# SAFETY

## EVERY DIFFICULT ROAD IS STILL THE SAFEST ROAD.

Safety has always been an integral aspect at Volkswagen and is central to the Volkswagen Vento.

The Electronic Stabilisation Programme<sup>5</sup> (ESP), with Anti-lock Braking System<sup>4</sup> (ABS) will make sure you stay in control on slippery roads or during heavy braking. On facing a steep incline, the Hill-hold<sup>6</sup> function will prevent the car from rolling backwards. The Anti-pinch Technology<sup>3</sup> will stop the windows from closing on sensing even the slightest obstacle.

Being equipped with Dual Front Airbags<sup>1</sup> for added protection of the front occupants as well as Side Curtain Airbags as standard, Rear Parking Sensors<sup>2</sup> and a Reverse Parking Camera<sup>2</sup>, we make sure safety is an all-round affair. And to make sure nothing separates you from your car, the Volkswagen Vento comes with an Electronic Immobiliser Anti-theft Device as standard.

<sup>1</sup>Refer to owner's manual for complete airbag functionality.
