

ORIGINAL
LACKE

VOLKSWAGENWERK GMBH

The colors listed are supplied as Nitro-Cellulose Lacquer (L)
and as Synthetic Resin Lacquer (LKL).

Do not mix both types with each other.

Nitro-Cellulose Lacquers must be diluted with Thinners L 160,
Synthetic Resin Lacquers with Thinners LKL 160.

1957

Slight changes in the color through natural bleaching or darkening must be expected. To make adjustments use the respective mixing enamel.

Orders should specify the color No. and type required.

Example:

Lacquer, black

L 41,

or

Synthetic Resin Lacquer, black

LKL 41.
